Breda University of Applied Sciences

Academy of Applied Data Science & Artifical Intelligence

To whom it my concern,

<u>RE: Letter of Recommendation and Character Reference for Tudor Pitulice</u>

Tudor is one of my students whom I have had the privilege of mentoring. He consistently demonstrates a strong work ethic, dedication and a deep sense of pride in his work. His commitment to excellence is evident in everything he takes on, and his determination to succeed sets him apart.

I have been thoroughly impressed by his effort and perseverance in his work. He approaches challenges with a proactive mindset and a drive to improve, always striving to push his own boundaries. His diligence and ability to maintain high standards reflect his ambition and potential.

Beyond his academic strengths, Tudor is polite, well-mannered and professional in his interactions. He carries himself with integrity and respect, making him a valued member of any team. His ability to balance hard work with humility makes him an exceptional student and a promising individual for any opportunity he pursues.

It is my pleasure to recommend Tudor and I have no doubt he will excel in any endeavor he chooses. If you require any further information, please do not hesitate to contact me.

Sincerely,

Shival Indermun

Lecturer
Academy of Applied Data Science & Artificial Intelligence
